### **GLAZED APERTURES and DOOR FRAMES (Premdor Crosby Limited)**

- 1. This approval relates to the cutting of apertures with or without glazing in doors supplied by Premdor Crosby Limited and to the manufacture of doorframes. Subject to the undermentioned conditions, the doors will meet the requirements as detailed in the relevant certificates.
- 2. This certification is designed to demonstrate compliance of the product or system specifically with Approved Document B (England and Wales), Section 2 of the Technical Standards (Scotland), Technical Booklet E (N. Ireland). If compliance is required to other regulatory or guidance documents there may be additional considerations or conflict to be taken into account.'
- 3. The certified doors for which the cutting of apertures, subsequent glazing thereof and provision of frames is approved are as following:

| Premdor Crosby<br>Certificate Number | Timber Door Product                 | Aperture<br>Cutting | Glazing of<br>Apertures | Manufacture of Frames | MDF<br>Frames | Resizing & Relipping |
|--------------------------------------|-------------------------------------|---------------------|-------------------------|-----------------------|---------------|----------------------|
| CF195                                | Premdor Fireshield                  | <b>✓</b>            | <b>✓</b>                | <b>✓</b>              | ✓             | ×                    |
| CF198                                | FD30 Moulded Skin<br>Chipboard Core | •                   | <b>✓</b>                | <b>✓</b>              | <b>✓</b>      | ×                    |
| CF240                                | FD30 Premcore                       | <b>✓</b>            | <b>✓</b>                | <b>✓</b>              | <b>✓</b>      | <b>✓</b>             |
| CF241                                | FD60 Premcore                       | <b>✓</b>            | <b>✓</b>                | <b>✓</b>              | ×             | <b>✓</b>             |
| CF302                                | FD60 Flaxcore                       | <b>✓</b>            | <b>✓</b>                | <b>✓</b>              | ×             | ×                    |
| CF380                                | FD30 Tubecore Lite                  | <b>✓</b>            | <b>✓</b>                | ✓                     | ✓             | ×                    |
| CF625                                | FD30 PremCORE Lite                  | <b>✓</b>            | <b>✓</b>                | ✓                     | <b>✓</b>      | <b>✓</b>             |

**Note:** The scope of approval and field of application for the doors is contained in the above referenced certificates.

- 4. Apertures, glazing and frames shall be in accordance with Premdor Crosby Limited construction specifications and data sheets for the above referenced products.
- 5. Processing is conducted in accordance with Premdor Crosby Limited procedures.
- 6. The process is approved on the basis of on-going certification of quality management system to ISO 9001:2008.
- 7. Inspection and surveillance of factory production control
- 8. The approval relates to on-going production.
- 9. Approved products carry both the original manufacturer's CERTIFIRE approval label and a second label identified with the processor's name and contact number, the CERTIFIRE name, or name and mark, together with the CERTIFIRE certificate number and a unique serial number.
